The original edition, Das narrenschiff, was printed in Basel, 1494. In 1497 a Latin translation was made by James Locher and in the same year was paraphrased in French verse, supposedly by Pierre Riviere. A prose paraphrase, by Jehan Drouyn, of the verse paraphrase followed. The present edition is an English translation, by Henry Watson, of Drouyn's 2d edition, 1517. *cf.* Pompen, A. C. G. Brokmeyer, Eugene C
State Republican campaign book and the popular "Old politician's" letters. Containing official data, carefully preserved and compiled, showing how the constitutional limitations on the state legislature's power to tax, to appropriate the people's money and to create debt have been perverted, evaded, ignored and persistently violated by successive Democratic administrations for nearly thirty years, and what these abuses of power cost the people.
